

CVR - VISTA Virtual  
**Vision Science Summer School**  
July 5<sup>th</sup> - 9<sup>th</sup>, 2021

Join us at this world-class **vision-focused summer school** for undergraduate students from around the world.

**This year's summer school will be virtual**

**The program includes:**

- Talks by world-renowned faculty.
- Hands-on research work.
- Opportunities to interact with our faculty and grad students.
- Social events with your fellow students.

**Our curriculum reflects the wide range of research areas at CVR, which include:**

- ◆ Human visual perception
- ◆ Machine learning
- ◆ 3D film
- ◆ Disorders of vision
- ◆ Computer vision
- ◆ Visual neuroscience
- ◆ Immersive environments
- ◆ And more...

For more information about the program and to apply, please visit:
