ABOUT KUALA LUMPUR

Kuala Lumpur is a federal territory and the capital city of Malaysia. It is the largest city in Malaysia. It is among the fastest growing metropolitan regions in Southeast Asia, both in population and economic development. Since the 1990s, the city has played host to many international sporting, political and cultural events including the 1998 Commonwealth Games and the 2017 Southeast Asian Games. Kuala Lumpur has undergone rapid development in recent decades and is home to the tallest twin buildings in the world, the Petronas Towers, which have since become an iconic symbol of Malaysian development. Kuala Lumpur is one of the leading cities in the world for tourism and shopping, the 6th most-visited city in the world in 2019. The city houses three of the world's ten largest shopping malls.
